

No arms. No legs.  
No eyes. No ears.  
No nose. No hands...  
no problem. We are  
nature's **recyclers**.  
Got some leaves  
that need to be eaten?

**We're on the job.**

Bothersome table scraps  
building up? **Give us a try.**

What you call trash, we  
call food...and we'll turn  
all of it into beautiful

**dirt.** So next time you  
see a worm, say **hello**, and thank us  
for all the great work that we do.

**WORMS.**

**YEAH...WE'LL **EAT** THAT.**
